PEI LING YUEN (AKA KATSI YUEN)

**UNDERTAKING FOR THE ATTENTION OF THE INVESTIGATING COMMITTEE
OF THE GENERAL OSTEOPATHIC COUNCIL SITTING ON 12TH JANUARY
2024**

I, Pei Ling Yuen (aka Katsi Yuen) of [REDACTED] London [REDACTED]
[REDACTED], hereby undertake to the General Osteopathic Council (GOsC) that I will not practice any kind of acupuncture (as I have not done since this allegation came to light) and of course from the date of the ISO hearing of the 12th January 2024 until the end of these proceedings.

This is in order to resolve the issue of an ISO that is to take place on the 12th January 2024.

This undertaking is addressed to the ISO Committee who are dealing with an ISO application by the Council on the 12th January 2024.

1. I confirm that I accept that the undertaking consists of a solemn promise to the Fitness to Practice Committee as to conduct of my practice of behaviour from the 5th January 2024.
2. I acknowledge that a failure to comply with the undertakings made by me may amount to unacceptable professional conduct.
3. I express my consent to the publication of the undertakings on the GOsC website.
4. I express my consent to provision of the undertakings to any person that the GOsC considers appropriate in the public interest.
5. The nature of the allegations against me are such that I accept that I carried out dry needle acupuncture, through the clothing of my patient (Patient A) on one occasion in October 2023 however the Committee have no need to concern themselves over any potential recurrence of such allegations because I will not be practising acupuncture in the course of my osteopathic practice from the 5th January 2024 until the case is resolved.
6. The restrictions are measurable because I will not be practicing and can be measured by "secret shopper" or "test calls".

7. I will be able to provide patient notes showing that I have not treated any patients with acupuncture since the date of the allegation coming to light, to the point of the ISO hearing and then beyond.

8. Should anything occur that means that I cannot comply with the undertakings I will inform GOsC immediately.
