

Chairs report to Council July 2024 – for noting

Council and Committee activity

There is a lot of recruitment activity ongoing, specifically:

- Interviews for the Welsh Council member (July)
- Sifting for the two Council registrant members to start April 2025 (July)
- We have started the process for replacing our lay and registrant external members on Policy and Education Committee.

Stakeholders

Since the May Council, I have had meetings with:

- CEO and President, Institute of Osteopathy
- Chair and CEO of Professional Standards Authority (Introductory)
- Chairs of the following Health regulators:
 - General Dental Council
 - General Chiropractic Council
 - General Medical Council
 - General Pharmaceutical Council
- Charles Hunt (previously VC of University College of Osteopathy)
- In July I have the following external meetings:
 - Nursing and Midwifery Council – introductory meeting with Chair
 - PSA roundtable for all health regulators (face to face)
 - Discussion with Institute of Osteopathy regarding International engagement

Internal

- I meet with Matthew (CEO) on a weekly/fortnightly basis
- I meet with SMT to plan Council meetings and wash up afterwards
- I am holding a '*Chat with the Chair*' online session in July to allow any GOsC staff who want to meet/chat to do so

Looking ahead

- Matthew and I are planning the Council strategy day for September 2024.
- In July I will be meeting with all five committee chairs (Audit, Policy and Education, People and the two FTP committee Chairs) individually to do objective setting for this year and review the previous year for those who were already in post
- Please watch out for Marcia asking for dates in early Autumn for 121 dates for all other Council members to discuss objectives etc.
