Telephone number: _____

Email: _____

If you have gained a further professional qualification relevant to your regulation, please provide details:

Title of your relevant qualification: _____

Course end date: _____

Course start date: _____

Name of educational institution:

Address of educational institution: _____

Please advise the details of the course administrator if possible:

Name of administrator _____

Job title: _____

Telephone number:

Email: _____

5. Professional Career History (showing professional experience)

Please provide a summary of your career history. Please provide this in reverse chronological order with most recent post first.

Job 1:

Employer/business name: _____

Your job title (in English): (e.g. associate osteopath in group practice, principal osteopath in sole practice, principal osteopath in group practice)

Dates of work from: _____ to: _____

Address of employer/business: _____

Details of person who can verify your role

Contact name: _____

Job title: _____

Telephone number (work): _____

Email (work): _____

Please indicate the regulatory authority or professional body responsible for the profession:

Details of your relevant regulatory or professional body:

Name of regulatory body or professional body: _____

Address: _____

Telephone number: _____

Email: _____

Website: _____

Your registration number (or equivalent): _____

In the space below, please tell us about your main duties or responsibilities:

Note: you may find it helpful to outline:

- the profile of patients and caseload
- the types of presentations seen, for example, neuromusculoskeletal, visceral, case involving referral to another health professional, patient unsuitable for osteopathic treatments (e.g. contra-indications)
- range of osteopathic techniques used, for example, diagnostic palpation, articulatory techniques, osteopathic thrust techniques, soft tissue techniques
- your approach in specific cases to:
 - taking a case history
 - examination
 - clinical reasoning
 - making a diagnosis
 - treatment plan agreed with patient
 - treatment
- any referral to provide the information necessary to show the assessor that you demonstrate the *Osteopathic Practice Standards*

Please note that any information provided about a specific patient case must be anonymised. Patients must not be identifiable in any way in accordance with Standard D6 of the *Osteopathic Practice Standards* (respect your patients' rights to privacy and confidentiality)

You may find it helpful to reference your cases so that the assessor can easily see which case you are referring to in the *Osteopathic Practice Standards* Mapping Grid.

Job 2

Employer/business name: _____

Your job title (in English): (e.g. associate osteopath in group practice, principal osteopath in sole practice, principal osteopath in group practice)

Address: _____

Telephone number: _____

Email: _____

Please outline the learning outcomes and content (if a course) or outline of non-course related professional development activity:

Please complete on a separate sheet of paper if necessary.

Please note that references will be required from each of the activities outlined and so you should ensure that all people listed as contacts on this form are prepared to provide a reference verifying that the activity has taken place and to send the completed reference form directly to us at:

registration@osteopathy.org.uk

Applicant Declaration

This must be signed, dated and returned with your application in order for your application to be considered

I confirm the information I have submitted to the General Osteopathic Council (GOsC) and to my referees is true and honest to the best of my knowledge. I undertake to bring any errors to the attention of the GOsC and my referees as soon as they are discovered.

I understand that the GOsC may make further enquiries in respect of applicants and referees, to verify or clarify information about me and my references. I understand that should any of the information I have supplied in the reference not be accurate or true, I may be committing a crime.

I understand and agree that the GOsC will process my personal data as disclosed in this reference for the purpose of administering my application which it is attached. I understand that the GOsC may contact me to ensure that the information submitted is accurate and may also disclose my personal data to third parties to check for accuracy. Should any inaccuracies be established, I understand that my personal data may be transferred to a third party for further investigation. I understand that should I transfer to another country, my reference and other relevant information may be passed to regulators in that third country.

I understand that by signing this checklist I am confirming that the information I have provided is accurate and that my personal data may be processed for the purposes specified above.
