

DATAFLOW

TrueProfile.io[®]

Primary Source Verification - the basics:

Document Upload

Applicant uploads scans/copies of document(s) to TrueProfile.io

Document Check

DataFlow checks authenticity with Issuing Authority

(university, licensing body or previous employers)

Verification received

TrueProof issued
(or no verification / no answer)

TrueProof reports can cover verifications of:

- Degrees
- Diplomas
- Licenses
- Reference letters
- Certificates of Good Standing
- Certificates of Attendance
- and more

The screenshot displays a TrueProof report for a Doctor of Medicine from Singapore Medical University. At the top center is the TrueProof logo, a circular emblem with a stylized 'P' and the text 'Education TrueProof' and 'powered by The DataFlow Group'. Below the logo, the text reads 'Doctor of Medicine' and 'Singapore Medical University'. To the left is the 'Education TrueProof' logo, and to the right is the 'Case Reference' 'DFP1-0808-200001' and a QR code. The report is organized into two main sections: a personal information table and a verification detail table.

CLIENT DASHBOARD:

This reflects the admin dashboard that GOsC or the OEI's would use to track the progress of the verification of all of their individual applicants

The colour coding indicates the stage of the verification for each document

The screenshot shows the TrueProfile.io Business Partner Dashboard for 'Hospital Healthy Life'. The top navigation bar includes links for Start, Info, Blog, Validate, Business Partner Dashboard, and Logout. Below this, there are tabs for Applicants, Vouchers, Landing Pages, Account Details, Settings, and Developer. The main content area displays a list of applicants under the heading 'Your Applicants'. The list includes three visible entries: Ms. Grace Torres, Mr. Aarav Bahri, and Ms. Monique Andrews. Each entry shows a profile picture, name, and a set of colored circles representing document verification status. A search bar and a 'Download Excel File' button are also present. At the bottom, there are buttons for 'Menu', 'Handoff', and 'No comments'.
