

Annex C to 15

Summary of changes made to the draft report for the Renewal of recognition review, College of Osteopaths (May 2016), in response to the providers comments

In addition to some minor changes made in proofreading the report to improve syntax and consistency in house style, the review team agreed the following amendments to the text of the report:

Paragraph	Amendment
5	'compact' changed to 'strategy' to aid understanding
13 (12) ¹	Additional sentence taken from paragraph 40 and added to the end of paragraph 12 to aid clarity at this point
14 (13)	Wording amended in response to provider feedback
25	Two insertions made to the first sentence in response to provider feedback
27	'which' inserted in the second sentence
34	Not modified as provider feedback appears to concur with the sentiment of the paragraph
40	Second sentence deleted and moved to paragraph 13
49	Edits to the first sentence to clarify its meaning
57	Second sentence modified by the addition of 'for the end of the' first semester
70	'enhancement' replaces 'enchantment'
74 (75)	Sentence 'The College provides clear information...' wording amended to improve meaning

12 August 2016

¹ The paragraph number from the first draft of the report is referenced in parenthesis
