AND MR LUKE SELBY**

THE GENERAL OSTEOPATHIC COUNCIL

and

LUKE SELBY

**UNDERTAKING FOR THE ATTENTION OF THE INVESTIGATING COMMITTEE OF THE GENERAL
OSTEOPATHIC COUNCIL SITTING ON 19 APRIL 2022**

1. I, Luke Selby, offer of my own volition to restrict my practice by making the undertakings set out below until the final determination of the allegations made against me, to assure the Committee that in the intervening period I will not pose a risk to patients, the public or the reputation of the profession.
2. I undertake to limit my osteopathy practice to treating patients for my current client, Pioneered Athlete Performance ('PAP').
3. I undertake to limit my osteopathy practice to treating male patients only. I undertake to not carry out any work which requires me to provide osteopathic services to female patients.
4. I undertake to provide a copy of this Undertaking to PAP.
5. I undertake to strictly comply with the restrictions as particularised in these Undertakings until the final determination of the allegations against me by a Committee of the General Osteopathic Council ('the GOsC') or until such other date as may be stipulated by the Committee.
6. I undertake to immediately notify the GOsC if I become aware that I may not be able to comply with the restrictions as particularised in these Undertakings.

7. The above undertakings will ensure that I am able to continue to practise in a safe and effective manner and that the risk of repetition of the alleged conduct and behaviour giving rise to these proceedings would be minimal.
8. I understand and accept that the Undertakings constitute a solemn promise to the Committee as to the conduct of my practice and behaviour and that a failure to comply with the Undertakings made may amount to Unacceptable Professional Conduct.
9. I consent to the publication of the Undertakings on the GOsC website.
10. I consent to the provision of the Undertakings to any person that the GOsC considers appropriate in the public interest.
