Summary of Decision:

In accordance with the GOsC Publication Policy, where an Interim Order is made, a summary of the decision will be published on the GOsC's website.

The Professional Conduct Committee (PCC) determined that it was necessary to impose an interim suspension order over Mr Stelian Rosca's registration. The allegations in this case relate to breaches of sexual boundaries. This means that Mr Rosca is no longer able to practise as an osteopath until the case is concluded by the PCC.
